GEOFFREY GILBERT CLASS
Belfast, Ireland, April 1 - 7, 1986

April 2, Continued:

Speak a crescendo:

- you articulate the beginning, but that's the softest part of it.
- decide the length of 1/8th notes and stick to it throughout

SCALES

Scales., arpeggios (dim/dom.) 20 min/day including these combinations:

SINGLE TONGUED: TENUTO

DOUBLE TONGUED

SCALE

THE STUDIO

Practise Scheme

Warm-up: Start with a 15 minute slow/fast expressive warm-up Then either Fast or Slow first [you do both]:	15
Fast: Daily exercises, finger exercises, scales, octaves, etc. All scales to be played with a fine tone: <i>make a special point of this.</i>	60
OR	
Slow: tone exercises, flexibility exercises, tone colour, exercises in whatever octaves you are working on. Try to include - at the same time - remedial work on vibrato and intonation.	45
Studies [Études]: Do a long study for two weeks, or a short one for one week, then try to perform it: then leave it and move on to another	75
Special Problems: Articulation, vibrato, whatever.	20 - 30
Pieces: Learn a new piece thoroughly every 10 days or so: choose pieces in different styles so that you work at the unfamiliar. Then finish with orchestral repertoire . Do as much from memory as you can.	60
Finish with a slow melody: practise communicating. Use slow passages from pieces, or the tunes from the 'Melody Book'. Do as much from memory as possible.	20
TOTAL.....	5 hours & 5mins

IMPORTANT: *You practise to get good fast:* combine other techniques into your tone, technique and scale sessions, such as vibrato, expression, breathing - the breathing indications in most pieces and studies are there for the amateur, the disabled, the elderly or for small girls. **Really** fill up your lungs and make *long* phrases when you practice. **It won't get better unless you do.**

Regular practise is the only way. Get up earlier and start at 8.30 or 9.00. Then you are free to do other things during the day.

Listen to other players, or CDs. This will help develop your critical faculties.

The image displays three staves of musical notation, each containing a sequence of sixteenth-note runs. The first two staves are in treble clef, and the third is in bass clef. Each staff features six groups of sixteenth notes, with a slur over each group. The first two staves have a consistent rhythmic pattern, while the third staff includes a variation in the second group, featuring a dotted eighth note followed by a sixteenth note. The text 'MULTIPLE TOUNGED:' is positioned above the third staff.
